

IT IS A REQUIREMENT OF THE RACEWAY THAT YOU READ THE FOLLOWING PUBLIC TRACK DAY TEST & TUNE SAFETY REQUIREMENTS FOR MOTORCYCLES ONLY

Issued by Shakespeare County Raceway - Jan 2010

Scrutineering: Scrutineering will be undertaken by Shakespeare County Raceway staff to ensure the basic safety of motorcycles wishing to take part in the Public Track Day Test & Tune. Any queries on what is acceptable should be addressed to the SCR staff. As part of scrutineering all motorcycles will be given a prefix letter and number for Timing and Race Control staff. At signing-on all riders will be required to fill in an event registration form, to provide motorcycle/rider details for commentary purposes. Scrutineering will be conducted in the drag strip's pit assembly area. All vehicles will be scrutineered.

General item checklist:

- 1 **Engine compartment** – engine must be free from oil leaks.
- 2 **Fuel** – fuel pipes sound and secure.
- 3 **Battery** - must be properly secured, ensure live terminal isn't exposed for danger of shorting on any metal object.
- 4 **Cooling system** – ensure it is intact and free from leaks.
- 5 **Throttle return** – ensure it returns ok and closes fully.
- 6 **Chain guards** - all motorcycles must have an adequate manufacturers or after market chain guard.
- 7 **Catch cans** - all motorcycles must have an oil and water catch can if required.
- 8 **Seat** – ensure the seat is secured properly and in good condition.
- 9 **Clothing** - all riders must wear leathers, boots, gloves and helmet. Jeans and trainers are strictly prohibited.
- 10 **Foot pegs and clutch/brake levers** - must be to ACU approved spec ie: ball ender for competition machines (see ACU Handbook).
- 11 **Wheels** – ensure wheels are secure, tyres free from visual defects, all wheel nuts fitted?
- 12 **Operating Lanyards** - all competition bikes must have a riders engine shutdown lanyard as described in the ACU Handbook.
- 13 **General appearance** - vehicle free from mud under the wheel arches, and does it look if it is going to fall to bits!
- 14 **Keep your speed down** - to 10 mph in the Pits, Staging Lanes and the Return Roads. The Drag Strip is the only area of the raceway for the **NEED TO SPEED!**
- 15 **Any non conventional vehicle i.e.:** Rocket/Jet powered must produce their own Risk Assessment & Operating Procedures, and give the raceway due notice of its appearance.

Signing On: Once a motorcycle has been successfully scrutineered, all riders must sign on. This will involve showing your full DVLA Driving Licence, payment of the appropriate track fee (£20.00 per day/£35.00 weekend per rider for unlimited runs), signing the required track indemnity forms and handing in of a completed event registration form.

Helmets: Helmets will be worn at all times when the motorcycle is under power in the pits, staging lanes, drag strip, shutdown and all return roads. **We are concerned for your safety.**

Track Access: At all times when the track is open for sessions (10.00am – 6.00pm Sat & 10.30/11.00am – 5.00pm Sun/Bank Holiday Mon) riders should access the track through the Staging Lane area. Please follow all instructions by the track staff from Shakespeare County Raceway who will direct you to the Staging Lanes, and through the start procedure.

Times: Timing tickets can be collected from pit office after each run. Shakespeare County Raceway staff will announce across the PA system Times and Speeds throughout the day/weekend.

Continued overleaf

General notes:

- 1 Bring your drivers licence for signing on. (MOT and Insurance documents may be asked for).
 - 2 Wear leathers, gloves, boots and helmet.
 - 3 Make sure that your motorcycle is clean and not dropping oil.
- Shakespeare County Raceway reserves the right to define additional rules governing the running of the event and will advise all registered entrants accordingly. **Track managements decision is final in any situation or dispute.**
